Foreword

At the completion of our 12 years at Handley, the realization comes to us that our cherished past at this school is upon us. We are not only conscious of the stately beauty of our school, but because of our years there, we are more conscious of the beauty of the land about it. Handley lies in the center of a lovely valley, surrounded by majestic mountains. This valley, with its blossoming apple trees in the gaiety of springtime, has become so much a part of us that we, the Class of 1957, have chosen it as the theme of our yearbook,

Dedication

In addition to assisting us in our first years of high school as a teacher, you have, in countless ways, instilled in our hearts through the years, respect for your continual cooperation and helpful attitude. Through your work with the General Organization and our various class functions, we have come to know you not only as an able instructor and guide, but also as a valued friend.

Because of your inestimable worth to Handley High and to us, we the Class of 1957, feel extremely proud to dedicate our HANDLIAN to you,

MISS LEMMA SNIDER.

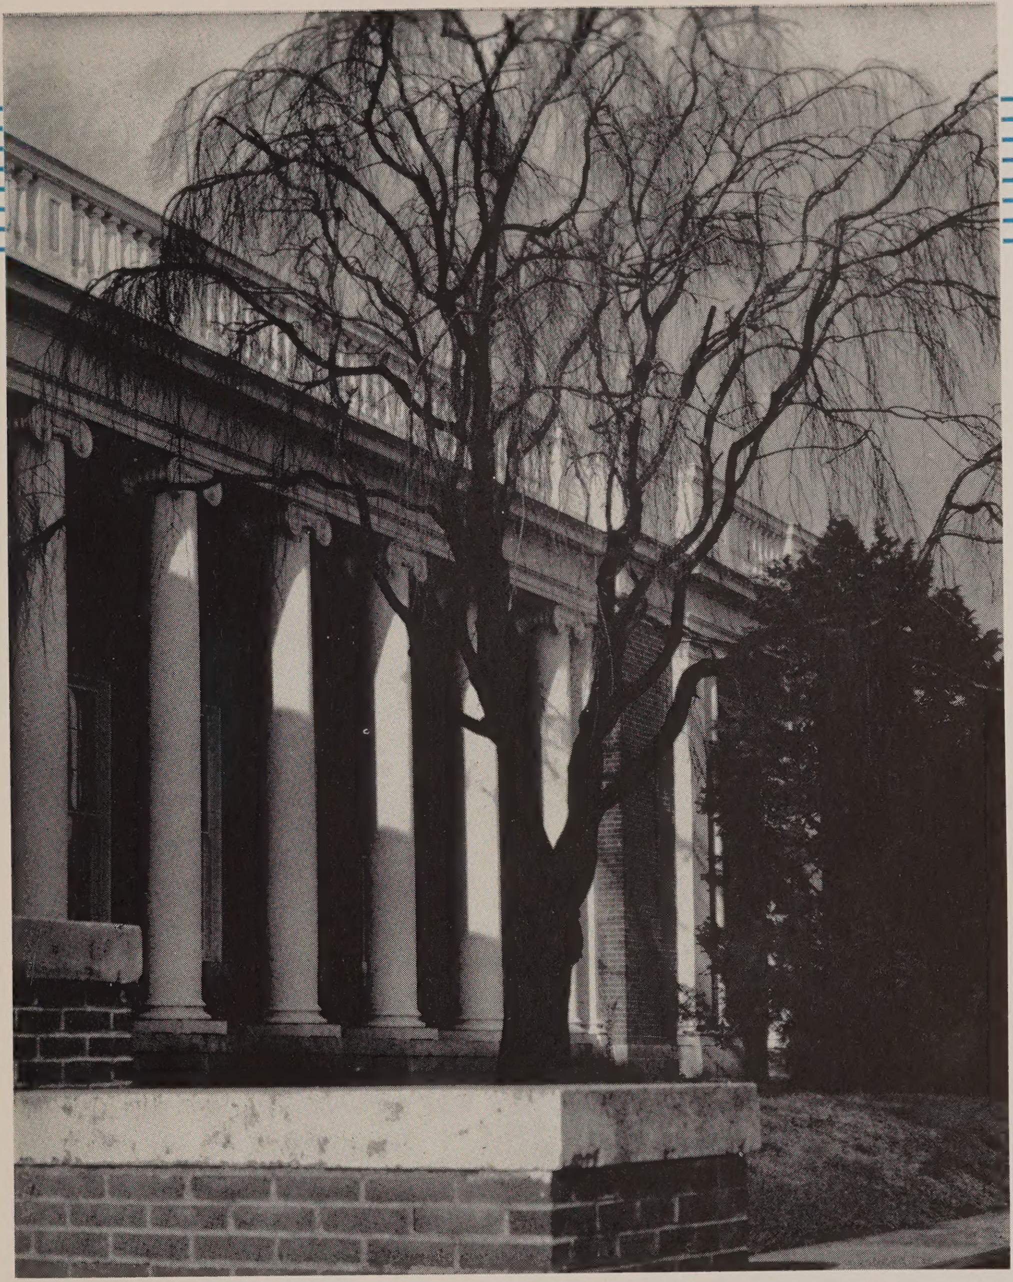
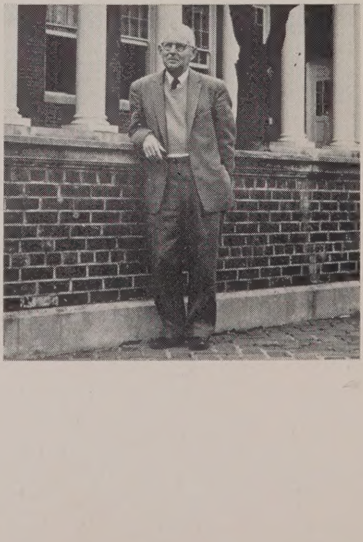
Administration and Faculty



ADMINISTRATION



DR. QUARLES

As we Seniors leave the halls of Handley, we feel that our lives have been enriched greatly by our association with Dr. Quarles who has been particularly in our Senior Year, a counsellor, friend, and teacher. Through the years he has instilled in us many high ideals which we are sure will make better men and women of us all.

ADMINISTRATION

MR. FRY

A heartwarming sight to all of us at Handley during our school year has been our principal, Mr. Fry. He is a familiar part of our school life in everything we have done, and we say a sincere "thank you" to him for the interest he has shown in each one of us.

As a teacher to many of us, and as our Guidance Counselor, Mrs. Peery is one of the many lovely, cheerful parts of Handley we shall always remember for her friendly interest in all our undertakings.

SENIOR CLASS SPONSORS

MR. GRAY AND MISS OVERCASH

Our warm, sincere thanks go to our own Mr. Gray, without whom the Class of "57" would have often been lost. You have never failed to show a deep, understanding interest in each one of us. We came to you in time of trouble, and time of joy, yet you were never too busy to listen to us. There are so many fine things we would like to thank you for Mr. Gray, that we find it rather difficult to find adequate words to express our gratitude. We only hope that you will hold as fond a memory of each one of us, as we hold in our hearts of you.

The last step of the ladder has been reached for us, the Class of "57". As we reminisce over the past, we see a woman steadfastly guiding us in each of our numerous undertakings. You, Miss Overcash, have been one of the nicest memories in that past; and as we enter into the future, we only hope that you will accept our earnest "thank you" for everything you have done for us.

LIBRARY CLUB

"I'd like to take this book out, please."

It would be impossible to count the number of times every Library Club member has heard that request as she performed her numerous duties as a library assistant. Not only is she required to check out books, but she also keeps a record of every book which is read by each student from the 7th through the 12th grades. Mending books, keeping the library clean and attractive, and decorating bulletin boards help add up to a tremendous amount of work few people realize is accomplished by the Library Club.

We hope all the students at Handley realize how lucky they are to have such a fine group in their midst.

Costumes, make-up, and most important, players. The curtain goes up, then ACTION! Yes, the Thespian Club has done it again, and before you know it, you find that Sally Jones has been magically transformed into an old spinster of eighty-five for her part in one of the dramatic hits of the year, given by our own dramatic club —The Thespian Club.

THE JUNIOR PLAY

The curtain went up, and there before everyone's eyes, the mysterious plot of one of the best Junior Plays in years—"Two Crooks and a Lady" was developed for the audience.

The fashionable home of the wealthy, paralytic Mrs. Simms Vane, owner of the fabulous thirty-three jewel diamond necklace, proved to be the scene of the downfall of Miller, the Hawk's vicious plan to get the necklace by use of his accomplice, Lucille, the maid.

The old lady's sharp mind saved the day, and everyone agreed that the Class of "57" had done it again, with their superb play!

THE SENIOR PLAY

Using the efficient system of type casting, eleven seniors were selected to portray the roles of the rather lovable, but somewhat mentally retarded "guests" of the Cloisters, the home in which our play "The Curious Savage" took place. Receiving one chuckle after another, the audience was delighted as the heartwarming story of a few days in the lives of these simple people was portrayed for them. Together with the guests, the staff of the home and the ambitious Savage children contributed to the hilarity.

VARSITY CHEERLEADERS

Come on y'all, YELL!! Yes, our Varsity Cheerleaders are at it again as football and basketball seasons roll around each year. This cheering squad, which is composed of girls in the tenth, eleventh and twelfth grades as chosen by the girls' athletic directors.

Whether it be a rainy, snowy, or sunny day, the cheerleaders never fail to give our boys their full support as they lead the student body in cheering the team on to victory.

J. V. CHEERLEADERS

During football and basketball seasons each year, these girls keep busy cheering our J. V.'s on to victory and assisting at pep rallies. Chosen from the seventh, eighth, and ninth grades, the cheerleaders certainly lend an encouraging note to the games with their sparkling enthusiasm and pep.

THE BOOSTER CLUB

DID YOU KNOW THAT————?

the Organization——

of the Booster was begun by Mrs. Edward Barr in 1933. Miss Strader and Mrs. Garrabrandt are now the sponsors. Junior and Senior girls are eligible to become members after they have earned enough points in Leadership, Scholarship and Citizenship. This year, the club is composed of thirteen Senior Girls and four Junior girls.

the Purpose——

of the Booster Club is to help boost the morale and spirit of the school. It also encourages Scholarship by sponsoring an annual spelling bee and offers cash prizes for the best Creative Writing of a short story, essay and poem.

the Activities——

of the Booster Club keep the girls busy all year long. In the summer, the members work selling ads for the programs which they sell at football games to help meet the teams needs. The students are given an opportunity, at the beginning of the year, to buy and sell books when the club opens the Second-Hand Book Store. Each year during the Christmas season, a Christmas Card Box is provided for the student body and adds greatly to our holiday spirit. At the beginning of the second semester, the Booster Club helps during College Day acting as messengers, guides and hostesses at the social hour. At the end of the year a loving cup is presented by the Club to the homeroom giving the best assembly. Another project of the Booster Club is the Junior Evening Star, which is published weekly and relates the school life at Handley.

The excellent minds of Handley's superior language students are tested each year during the district language tournaments. Students of French, Spanish and Latin compete for high honors in this field and always represent Handley well.

1956 LITERARY TEAMS

Have you ever wondered what a forensic meet is? Well, every year various students at Handley compete for honors in the fields of public speaking, prose and poetry, reading, debating, creative writing and spelling in order that they may represent Handley in our District and State contests. Their efforts resulted in Handley placing first in girls' and boys' prose and poetry reading at the district meet last year. Let's hope the student body will continue to strive for top honors in the years to come.

FOOTBALL GAMES

Handley's 1956 varsity football season opened on August 25 with a turnout of forty-five bright young athletes. Our hopes were high, for, though we were entered in a tougher league, the Cumberland Valley League, our team consisted of strong, heavy, fast, intelligent, and experienced boys. We should at least see a reasonably successful season.

Recalling our enormous victory of last year, we stepped onto Loudoun County's field for the first game of the season with great expectations. As was anticipated, history repeated itself. Even more so, for with Crenshaw, Potts, Anderson, and Higgs carrying and Kellas kicking, we managed to make the final score 32-0.

Host to Allegany, the Judges, spirits bolstered by their first victory, faced their first C.V.L. game. At the same time, they were not blind to the fact that this would not be a repetition of the previous week's picnic. Fast Jack Crenshaw and alert Odee Orndorff each took the leather across and with Kellas splitting the uprights, we had a final score of 14-7.

Full of anticipation, we went over to Warren County, but it wasn't long before the combination of mud and an immovable opponent served to frustrate us and decrease our spirits considerably. The crowning blow was a poor punt that set the Wildcats up for the only score of the game.

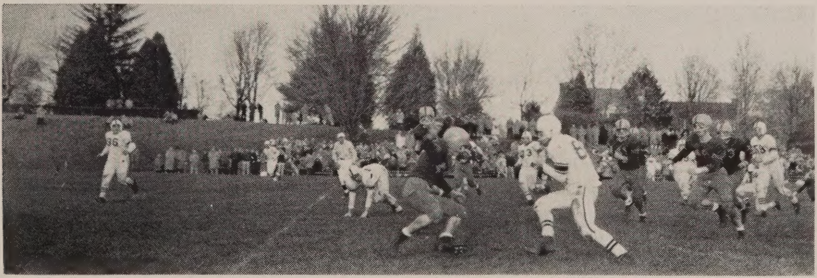
FOOTBALL GAMES

Still hopeful, we faced another challenge at Frederick. Perhaps we overdid it, but we showed people what we really could do by running over and tramping on the Cadets. The combined efforts of Anderson, Crenshaw, Potts, Crisman and Higgs with Sturm scoring extra points gave us a total of 38 points to Frederick's 0.

Feeling a bit more chipper, we rode to Fort Hill, vowing to get even for last year's thrashing. Though we played good ball in the second half, it was not enough to regain what we'd lost in the first through fumbling and a battering attack by a strong Sentinel team, and Robinson's lone touchdown in the middle of the fourth Quarter was not too beneficial against the 14 points scored against us.

Undaunted, we traveled to Westminster for another C.V.L. game. As the week before it took us until the second half of the game to get rolling, about five minutes too long. With about four minutes left in the game, the score was 18-12, in favor of the Owls. After a strong field-length drive had brought us to about the Owls' 30-yard line, we were held. In desperation, we took to the air to hold the clock. This resulted in our loss of the ball. Thus was the situation when the final gun sounded. We extend our thanks to Anderson and Crenshaw for their efforts in scoring.

Quite disgusted with ourselves, we were aware that our only chance at the league title was to defeat the Hagerstown Hubs. The day arrived like a sick cat —all gray and wet. That's also how we went home. The advantage given to the home team didn't help us because the slippery pigskin escaped us at every



FOOTBALL GAMES

turn. This and the fact that the Hubs were top-ranked in the league cost us the game and first place. The score was 13-0.

Our Homecoming found us host to Clarke County the following week. The game was uneventful until the middle of the second quarter when Sturm snagged a long pass from Reid behind the safety man and took it into the end zone. His extra point kick failed to do the trick, however, and made the score 6-0. It was but a few minutes later, though, that the Eagles completed an end zone pass and made the vital point that made the score 7-6, favoring them. We could do nothing in the remainder of the game to change the score.

Our next game was with Harrisonburg. The skill, ability, and experience we knew we had at long last came through. An all-around exhibition of good ball playing was highlighted by Crisman's and Robinson's touchdowns and Sturm's two extra points. The score looked our way, finally, 14-0.

Now even more determined to emerge with a .500 record, we were the dog-catchers and we were out to get the Bulldogs from Martinsburg. We got them, alright, to the tune of 41-6. The result of our best performance of the season was a beating that Martinsburg hadn't received since 1922. Brilliant teamwork gave touchdowns to Crenshaw, Crisman, and Robinson, while Sturm topped off a good record by making five out of six extra point attempts count.

Though we only managed to break even this season, it is our opinion that our efforts were not wasted, for if our record during the first eight games held a lesson for us, it is evident by the last two that we learned it, and although a lesson learned the hard way is hard to swallow, it usually stays down......

1956-57 BASKETBALL SCHEDULE

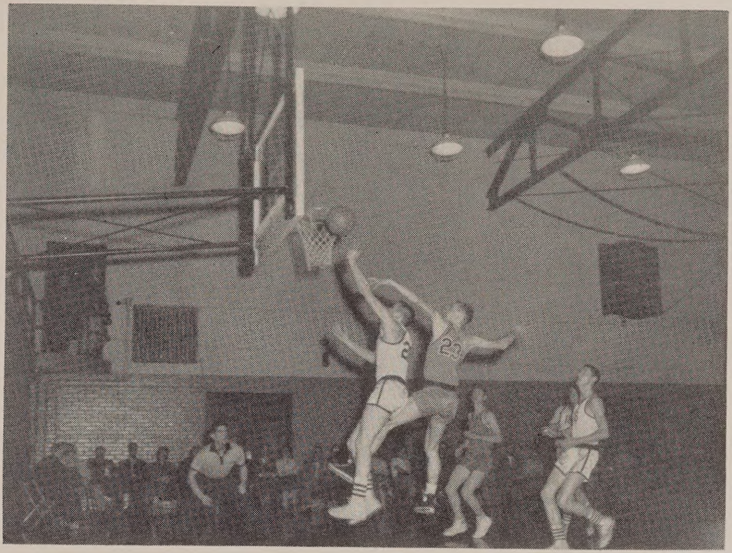
On the night of February 26, 1957, the Handley Judges concluded the most successful basketball season in the school history by defeating Warren County by the score of 70-40. This brought the Judges' record to 19 wins and 1 loss.

This years' season was filled with excitement and violent record breaking. Twice Handley pulled their games out of the fire by a point difference. Opposing teams scored 50 points or more against us only six times. For the first time in the school's history, we went undefeated in district competition. But the high water mark was really reached when Handley played Elkton. This was the last home game for the five starting Seniors. In that game the Judges tied the school record of 93 points with Ed Grim leading the way with 50 points to his credit. This broke the old school record by a surprising 14 points, a fitting climax to Ed's home high school cage career.

In twenty games Handley scored a total of 1241 points as opposed to our opposition's 873. This gave us an 18.4 point spread per game, another record.

At the end of the season, Ed's average was a spectacular 25.95 points per

1956-57 BASKETBALL SCHEDULE



game. Everyone, however, including old "16" knew his efforts were possible only because of four others backing him.

These were Jack Reid, "20", Robbie Robinson, "21", Mike Hollis, "14", and Gary Anderson, "18".

When these five boys stepped out on the floor, Winchester fans were sure they would see the best basketball that Handley could produce.

This team had everything—high scorers, ball handlers, great defensive ability; they were the greatest Handley has yet produced, and the Class of '57 is justly proud.

The performance of this ball club was the result of a multitude of factors. Some are obvious, such as coaching, teamwork, experience, ability. Some are obscure, such as the invaluable "red shirts"—the almost fanatical support by the fans wherever the team went—and the team's inner closeness, their "espirit de corps", if you wish to call it such.

And now as a fitting goal for this wonderful ball club, the Handley Judges are tournament bound!

The best of luck, boys!

1956 TRACK MEETS

TRI-ANGULAR MEET

This meet was the cause of much encouragement to the boys. Handley's score of 70.5 overwhelmed the combined scores of Elkton and Berkeley Springs which totaled 55.5. Taking first place honors at this meet were:

Crenshaw in the 100 Yd. Dash, 200 Yd. Dash, and Broad Jump. Crenshaw, Higgs, Boppe, and Smith in the 880 Yd. Relay. Crisman and Glass in the Pole Vault. Jackson in the 880 Yd. Run. Grim in the Mile Run. Wheatley in the 120 Yd. High Hurdles. Sempeles in the Shot Put. Shendow the Discus.

INVITATIONAL MEET

The day was bright and sunny as were the spirits of the Judges after this meet. The ball that had started rolling to success picked up a good deal of momentum due to today's overpowering victory. First were:

Crenshaw in the 100 Yd. Dash, 220 Yd. Dash, and the Broad Jump. Grim in the Mile Run. Wheatley in the 180 Yd. Low Hurdles. Sempeles in the Shot Put. Shendow in the Discus. Crisman in the Pole Vault. Boppe, Higgs, Smith, and Crenshaw in the 880 Yd. Run. Sempeles, Armstrong, Jackson, and Grim in the Mile Relay.

DISTRICT 10 MEET

Another win for the Judges! Isn't this great! Taking firsts:

Crenshaw in the 100 Yd. Dash, 220 Yd. Dash, and Broad Jump. Jackson in the 440 Yd. Dash. Sempeles in the Shot Put. Shendow in the Discus. Crisman, and Glass in the Pole Vault. Boppe, Higgs, Smith, and Crenshaw in the 880 Yd. Relay. Sempeles, Armstrong, Grim, and Jackson in the Mile Relay.

STATE MEET

Teamwork showed the Judges the success they've been climbing for by giving them a decisive victory in this meet. We called ourselves State Champion. In first places were:

Shendow in the Discus. Crisman in the Pole Vault.

R. M. A. MEET

To keep us tuned up between the State and The C. V. L. meets Handley scheduled a special meet with Randolph-Macon Academy which almost spelled tragedy.

Caught on an off day we lost in some of our favorite events but strength paid off and gave us a five point victory. In first places were:

Crisman, and Glass in the Pole Vault. Sempeles in the Shot Put and Discus. Jackson in the 880 Yd. Run. Wheatley in the 180 Yd. Low Hurdles. Grim in the Mile Run.

C. V. L. MEET

We really gave our new competition a taste of Handley supremacy by walloping them unmercifully. We left a favorable opinion by taking first places in thirteen out of fifteen events and setting three new school records. We really wound up Handley's greatest track season with a bang. The new records were set by Wheatley, Sempeles, and Jackson in the 180 yd. low hurdles, the shot put, and the 880 yd. run, respectively. First were:

Crenshaw in the 110 Yd. Dash, 220 Yd. Dash, and the Broad Jump. Jackson in the 880 Yd. Run. Grim in the Mile Run. Wheatley in the 180 Yd. Low Hurdles. Crisman in the Pole Vault and High Jump. Sempeles in the Shot Put. Shendow in the Discus. Boppe, Higgs, Smith, and Armstrong in the 440 Yd. Relay. Boppe, Higgs, Smith, and Crenshaw in the 880 Yd. Relay. Sempeles, Grim, Armstrong, and Jackson in the Mile Relay.

JUNIOR VARSITY FOOTBALL

This year our inexperienced Junior Varsity consisted of boys from the seventh, eighth, and ninth grades; and, though they did not see a highly successful season, their efforts were rewarded with invaluable experience and the realization of the meaning of teamwork. We want our Varsity of tomorrow to know that we're pulling for them.

JUNIOR VARSITY BASKETBALL

The J. V. Basketball team is made up of boys from the seventh through the tenth grades.

Along with the helpful experience gained, these boys learn to work as a body. This sense of teamwork will be priceless to them during their years on the Varsity.

BOYS' MONOGRAM CLUB

The Boys' Monogram Club is composed of boys whose athletic ability has made them proficient in a sport or sports. Entrance to the club may be obtained in four ways—by playing ½ the quarters in football or basketball, by winning 13 ½ points in track or by going to the State Track Meet, or by being a manager for two or more years. The Club also performs several services for the school by being ushers at school functions.

ROW ONE: J. Stanley, P. Duvall, S. Butler, A. Sullivan, J. Gavis, K. Swisher, S. Stine. ROW TWO: B. Petrie, P. Bailey, B. Lewis, P. McMullan, J. Dick. ROW THREE: S. Carr, E. Bush, P. Sudduth, A. Bailey, C. Coughlin. ROW FOUR: A. Pennypacker, S. Crisman, H. Sullivan, P. Good, S. Bierer.

GIRL'S MONOGRAM CLUB

The main purpose of the Monogram Club is to promote interest and good sportsmanship in girl's athletics. The members of this club have earned 500 points in intramural sports and at all times have maintained a scholastic average of "C". Each year the girls sponsor pep rallies, invitational hockey tournaments, Homecoming events, and the football dance.

ROW ONE: J. Gavis, K. Swisher, P. Duvall, S. Dick, C. Fry, S. Butler. ROW TWO: C. Coughlin, E. Riley, A. Rohrer, P. Bailey, S. Carr, S. Fries. ROW THREE: H. Sullivan, M. Rhodes, S. Stine, J. Dick, P. McMullan, B. Lewis.

CLASS HISTORY

On a sunny September day during the year 1945, we, the class of "57", took our first steps along the road of education as we grasped our Mothers' hands, and entered John Kerr or Va. Avenue Schools, where we were to study, play and make friends for the next three years. There we were: Mischievous little boys in corduroy pants and "T" shirts, and cute little girls in colorful dresses, covered by crisply, starched, white pinafores.

Our teachers began to try to instill the three "R's" in our young minds, even though we were much more anxious to beat the boys in soccer or jump rope at recess. Do you remember that horrible "bad box" outside Miss Moore's office? More than one of us, including some of the girls, found ourselves perched on it for misbehaving. Valentine boxes, Christmas parties, and plays all became a part of our life, while we also had some serious thoughts in our young minds as we loyally bought war stamps. Our poor boys were heartbroken when they discovered that the girls were going to be "Dewdrops, Tulips and Pansies" in the Pageant, and they weren't going to be allowed to perform. However, they weren't left out for long, for we soon transferred to Handley elementary for the next step on the ladder. There, they appeared as bunnie-rabbits, much to their delight, in the Pageant. Christmas soon became a memorable time for all of us, as we diligently memorized Christmas carol words, so that we might attempt to sing like angels in the annual concert. Miss Haynes must have often wondered if we weren't just the opposite of those heavenly creatures! Brutus and Caesar were familiar names to us in the sixth grade when we produced our very own Latin play, complete with a "live" audience composed of our proud parents. The boys showed that they had quite a bit of ability in the carpentry field, when we constructed our "ole" Oscar, the magnificent.

Then, all of a sudden, there we were, Jr. High Students, traveling to and from classes like frightened chickens who had lost their Mother. We immediately placed the SENIORS on an imaginary pedestal, and nearly passed out if one of them spoke to us! Our fellow classmates started participating in school life as G. O. representatives to the Executive council, and the first G. O. Dance which we attended was as much of a success as our first class party in the eighth grade. Our Freshman year was a year when we became a real part of Handley. All of us took part in the numerous phases of high school life. The sight of our boys, breathing heavily, while dashing madly through the streets of Winchester showed that they would eventually contribute some of their pep and ability to Handley's track team. While they proceeded to display their talent in football, basketball, or track, the girls, not to be outdone, armed themselves with a good supply of hockey sticks, and plenty of first-aid equipment, and soon distinguished themselves in this field. During our Sophomore year, the Class of "57" contributed its time and various talents to many fields. Some of our classmates served as officers of the student body, and various other organizations in the schools. Studies proved to be harder, yet many of us wholeheartedly enjoyed cutting up various biology specimens, particularly before lunch.

Those last two years of our High School career were two of the best years of our lives. As Juniors, we undertook three of the biggest projects in school.

CLASS HISTORY

Rain, snow, or mud knee-deep, didn't keep us from supplying the crowds at the football games with plenty of hotdogs, candy or hot-chocolate. Our class treasury increased sizably from the Jr. Stand, and we used some of the money in another profitable project, our Jr. Play, "Two Crooks and a Lady". This play which won Distinguished ratings at the State and District One-Act Play Festivals, was one of the best ever presented at Handley. Its success was due to the hard work of the talented class under the direction of our sponsors, and the cooperation of all the Juniors. Our Junior year wouldn't have been complete without the Proms, and even though we are a bit prejudiced, we thought our "Oriental Garden" theme created the most beautiful prom in the history of the school. The gym was transformed into a dream of soft lights, white-columned pagodas, and beautiful music, played by a grand band, under a sky of twinkling stars. Months of making thousands of paper flowers, building wooden frameworks for the pagodas, and drawing and painting had gone into this project, which everyone in the class took part in. Working together on the Proms helped all of us to realize how much Handley meant to us. We knew our last and final year couldn't help but be the best year under the leadership of our fine class officers, Robbie, Bill, Elaine, and our faithful sponsors, Miss Overcash, and Mr. Gray.

The sight of our Senior rings on our fingers and the honor of sitting "up-front" in Chapel and Assembly, were only a few of the privileges which made us feel we were on top of the world. HANDLIAN staffs were announced and work began on the BEST HANDLIAN ever with Dave, Jack, Anne, and Dorothy supervising the job. The Confederacy rose again for the Senior Dance, which was a huge success. For the first time in years, a girl, one of our class members served as President of the General Organization, and numerous other members of the class held positions in Handley student organizations.

Rush, rush! Everything was happening at once as rehearsals for the Senior Play, "The Curious Savage", began. March eighth was the night when our talented cast presented the hit. The audience was loud in their praise, for the superb job done by all. We ordered our invitations and name cards and were measured for our caps and gowns. The Senior Banquet and Proms helped conclude a year packed full of excitement.

For the final time, we marched to the cemetery to place our flowers on Judge Handley's grave, whose monetary contributions to the city of Winchester had helped educate thousands of children like ourselves. The Baccalaureate and Commencement addresses inspired us to accept the challenge of the future. As we held our diplomas in our hands, and sang the Alma Mater, tears stung many eyes at the thought of leaving Handley. These years had prepared us well for the next step in our lives. We, the class of "57" would try with God's help, to live up to the confidence our teachers, parents, and friends had placed in each one of us. To the remainder of the student body, we left lovely Handley, a part of our lives which we would never forget.

TO HANDLEY

Sharon Glaize—*Class Poet*

This be our memory as we pass through your door
And gaze o'er our shoulders for one moment more.
Not of your campus, your steps or your walls,
Not of your columns, or your now silent halls;
But the warmth that we've found here, the friends good and true;
These are the memories that will linger of you.

This be our faith as we leave you behind:
That all others may find you as gentle and kind,
As willing to solve every problem that they
May bring through your door in your own quiet way.
That's how we found you a few years ago,
And such is our faith you'll remain ever so.

This be our hope as we step down tonight:
That wherever life leads us, we'll never lose sight
Of the standards and ethics and aims that you've taught,
And the knowledge our cherished years with you brought:
That we'll set an example for mankind to see
So that always you may very proud of us be.

This be our prayer as we bid you goodbye:
"Dear God, let our love through the years never die.
Bless our dear school as she stands 'neath the sun,
And keep all the hearts of our classmates as one.
Let each one hold sacred where'er he may roam
The memory of you, our Handley, our home."
